Re: Application of Tennessee Telephone Service, LLC d/b/a Freedom Communications USA,  
LLC for Designation as an Eligible Telecommunications Carrier  
Docket No. 2009-332-C

Dear Mrs. Boyd:

The Commission's Prefile Testimony Letter required "All Other Parties" to file direct testimony by April 20, 2010. As part of ORS's review of the referenced application, ORS has requested certain information from the company. As of today's date, ORS has not received the needed information. It is our understanding that the company is currently compiling the requested information. The requested information is needed in order for ORS to finalize its position in this matter. Therefore, ORS request an extension of the filing deadline for direct testimony. Upon receipt of the requested information from the company, ORS will advise the Commission that it has received such and can move forward with scheduling another filing deadline for its direct testimony. The company consents to ORS's request.

ORS appreciates the consideration given by the Commission for this request.

Best Regards,

C. Lessie Hammonds
